### **Correction to Specifications**

Dear Sir:

Thank you for your letter pointing out three errors in the specification; i.e., drawings 11c, 25, and 26 are mentioned in the Brief Description of the Drawings, but not contained in the drawings. Please amend the above application as follows.

**Specification:** Applicant wishes to correct the Brief Description of the Drawings by deleting reference to drawing 11c, which was withdrawn earlier. Applicant also submits a replacement page 28 which deletes a reference to drawing 11c.

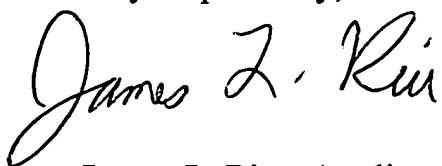

Drawings 25 and 26 were apparently never submitted. Applicant has renumbered drawing 37 into drawing 25, and drawing 38 into drawing 26. Applicant submits a corrected Brief Description of the Drawings, deleting reference to drawing 37 and 38, and changing the description of drawing 25 and 26 to match the drawings. Also, Page 55 of the specifications is modified by replacing the reference to figures 37 and 38 with references to figures 25 and 26.

**Drawings:** Applicant submits drawings 37 and 38 renumbered as drawings 25 and 26.

**No new matter** has been added to the specifications.

Included is a marked up and clean copy of the Brief Description of the Drawings, and pages 28 and 55 of the specifications. Also submitted are the renumbered figures 25 and 26.

Very respectfully,

A handwritten signature in cursive script that reads "James L. Rice".
